

**After 40+ years in business, we're shining brighter than ever,  
& moving forward to 50 yrs TOGETHER! #ForwardTo50  
2019 RECITAL INFORMATION SHEET & PERMISSION SLIP**

It's time to start preparations for our Sonshine Production Recital! This show is always the most fun for the students because of the extra-fancy costumes, the original storyline (where each class gets to be a special character), the fun sets, and the beautiful lighting effects. We will be presenting our series of recitals this year in our own Sonshine theatre, with added lighting effects and fancy seating for our audience and special surprises for all (to match our Outer Space Adventure theme)! After a semester of hard work in class, all of our dancers will enjoy the fun and excitement of performing (dance & acting parts) on stage, showing off some new skills, and learning about all of the "backstage antics" that go into making a fantastic, live show for our families. Performance dates for the run of the show are **June 8 - 10**. Dress rehearsals and group pictures will be held during the week prior to our shows. **We truly hope each of our Sonshine super stars can participate in our special 2019 recital and add their unique light to this one-of-a-kind production experience!**

On the next page is the permission slip. By ordering and paying for your costume, you secure your place in the show.

**THE PERMISSION SLIP WITH PAYMENT IS DUE AT THE FRONT DESK
