

**After 40 years in business, we're shining brighter than ever,
& moving forward to 50 yrs TOGETHER! #ForwardTo50
2017 RECITAL INFORMATION SHEET & PERMISSION SLIP**

It's time to start preparations for our Sonshine Production Recital! The show is always the most fun for the students because of the extra-fancy costumes, the original storyline (where each class gets to be a special character), the fun sets, and the beautiful lighting effects. The recital will be held at a local high school auditorium with a large, beautiful stage and great seating for our audience. After a semester of hard work in class, all of our dancers will enjoy the fun and excitement of performing (dance & acting parts) on stage, showing off some new skills, and learning about all of the "backstage antics" that go into making a fantastic, live show for our families. Performance dates for the run of the show are June 10 - 17. Dress rehearsals (at the Academy) and technical rehearsals (at the theatre) will be held during the two weeks before your show. Each class will perform in only one show, and dancers will bring home a note indicating their specific performance / rehearsal day, date, and time as soon as the permission slips have been returned. **We truly hope each of our Sonshine super stars can participate in our special 2017 recital and add their unique light to this one-of-a-kind production experience!**

On the next page is the permission slip. By ordering and paying for your costume, you secure your place in the show.

**THE PERMISSION SLIP MUST BE RETURNED TO THE FRONT DESK WITH PAYMENT
BY FRIDAY, MARCH 31, 2017, 7:00 PM.**
